

PRE-AUTHORIZED PAYMENT PLANS

Wynward Insurance Group offers you the choice of two payment options that allow you to pay your insurance premiums all at once or spread them over the policy term.

Our payment plans provide you with the flexibility to pay your insurance premiums in a manner that best suits your needs.

Credit Card Plan

With the Credit Card Plan, your total insurance premium can be charged annually to your Visa or MasterCard account. No processing fee applies to this method of payment.

For easier monthly budgeting, your annual premium can be divided into equal installments which are charged to your Visa or MasterCard at the beginning of each month. A non-refundable processing fee of 3% will be charged on the monthly credit card payments.

Any changes made to your policy after the initial payment will automatically be applied to your credit card. This applies to both annual and monthly Credit Card plans.

Pre-Authorized Debit Plan

With the Pre-Authorized Debit Plan you pay a down payment of 15% of your annual premium and the remaining insurance premium is withdrawn from your chequing account in equal monthly installments.

A non-refundable service charge of 3% of your annual premium will be charged when the Pre-Authorized Debit option is chosen.

Our Origins

In 1920, a group of prairie grain companies - dissatisfied with the premiums being charged for fire insurance on their prairie grain elevators - decided to charter their own insurance company. They hoped this would pressure their underwriters to reduce premiums. It didn't work. But a strong partnership had been established, a need had been identified - and Grain Insurance & Guarantee was born.

This beginning became more than just a story we tell – it became the foundation of our business as we continued to provide insurance products and services with our clients' best interests as our priority.

As a company, we've never lost sight of that. By combining sound underwriting principles with an unwavering commitment to customer service, the company has been profitable ever since our founding in 1920 – proving to the industry that when you put your clients first, everyone wins.

Over time, we expanded our business serving customers in all provinces and territories, through a world class broker network. Along the way, we have maintained our reputation as an innovative insurance company with an eye on the changing needs of Canadian businesses.

Today, more than 90 years after the company was founded, we are proud to serve Canadian businesses from coast to coast. We are far from where we started, and as we enter yet another defining period of growth, we chose a name that would reflect who we have become – and where we are going.
