

Navacord Expands Into British Columbia as Wylie-Crump joins as the newest Broker Partner

Navacord Inc. is pleased to announce our expansion into British Columbia as it welcomes Wylie-Crump Limited as its first Broker Partner outside of Alberta and Ontario. Wylie-Crump is a specialized firm delivering intelligent risk management, insurance and surety brokerage, and consultation services to Vancouver's marketplace since 1972.

"Wylie-Crump brings a wealth of expertise in the construction sector which complements our largest practice group across the business", says T. Marshall Sadd, Navacord Executive Chairman. "The team at Wylie-Crump is a perfect fit for Navacord – entrepreneurs with an expertise in a construction niche in which we have a deep focus."

Effective June 1, 2018, Wylie-Crump joined Navacord's growing group of Broker Partners which now number nine after the most recent announcement of Partners Indemnity.

Wylie-Crump will continue to operate under the leadership of Nolan Heuchert, Brian Lawson and Graham Sibbald, partners who have been expanding and growing the Wylie-Crump business since 2009. Nolan Heuchert said, "Wylie-Crump is very excited to become a Navacord Broker Partner. This evolution allows Brian, Graham and I to continue to provide our highly focused service that our clients have always expected and are now able to benefit from the expertise and resources that only a national brokerage partnership can provide."

Navacord is proud of the Partnerships they have established which enable the achievement of their goal of becoming the premier Canadian entrepreneurial broker. "Navacord was born to keep the entrepreneurial spirit alive and the addition of Wylie-Crump is another great example of our vision becoming reality," said Shawn DeSantis, Navacord President & CEO.
